Glucosamine Sulfate is a building block for molecules that make up our tendons, ligaments, bones, skin and synovial fluid in our joints. It is used for joint pain and synthesis of joint tissue.

Medicinal ingredients: Each capsule contains:

Glucosamine Sulfate..... 500 mg
(Glucosamine sulfate potassium chloride from the exoskeleton of crab or shrimp)

Non-medicinal ingredients: Magnesium Stearate, gelatin (capsule ingredient). Contains no artificial preservatives, colours, gluten, corn, nuts, eggs, dairy, sweeteners, starch, wheat or yeast.

Duration of use: Use for a minimum of 2 months to see beneficial effects.

Cautions and warnings:

- Do not use if you are pregnant or breastfeeding.
- Consult a health care practitioner if symptoms persist.
