Get all of your vitamins, minerals and antioxidants in just one great product! Full spectrum multivitamin and mineral supplement containing: 50 mg of the B vitamins, Reishi and Shitake Mushrooms, Alpha Lipoic Acid, Proanthocyanidins and Enzymes in an absorbable capsule.

Naka's premium quality Multi-Vit-Min is a new vitamin and mineral supplement with the added health benefit of antioxidants. Along with vitamins and minerals, antioxidants in medicinal mushrooms can scavenge free-radicals in the body that can cause cell damage and degenerative diseases. Multi-Vit-Min comes in an easy-to-swallow capsule form with no binders or fillers added. Each 120 caps bottle provides a 2 month supply for one adult (2 caps per day).

Directions:

For therapeutic adult use only. Take two capsules daily, or as directed by your doctor. Contains no artificial preservatives, colours, dairy, sweeteners, starch, wheat or yeast.

Ingredients:
