Nutri-Flex CREAM: Available in 237 ml

Product benefits by category:

- GOLD** Arthritis & Joint Care, Body Care & Topical Use, Injuries.
- SILVER** Athletic Performance.

Nutri-Flex CREAM is an effective, fast absorbing topical joint care formula that can help you ease joint and muscle pain. Simply rub on some Nutri-Flex Cream and its superior formula will go to work to help rub out your pain plus ease swelling, stiffness and inflammation in about 20 minutes!

- Fast, effective joint pain relief.
- Absorbs quickly and easily.
- Has a very mild scent so no one knows you are wearing it.
- Can be used before or following bathing.
- Cannot burn the skin.
- Contains nutrients, antioxidants, emollients and pain relievers.
- Other benefits include smoothing extremely dry skin and help in fading age spots.

Directions:

Apply an adequate amount of cream to the skin and massage thoroughly as needed.

Ingredients:

	Per 15 ml
