Nutri-Flex with Vitamin D: Available in a 500 ml liquid plus a Mini 8 Pack with 60 ml bottles

Product benefits by category:

- GOLD** Arthritis & Joint Care, Athletic Performance, Injuries.
- SILVER** Anti-aging, General Prevention, Men's Health, Vitamins & Minerals, Women's Health.
- BRONZE** Hair, Skin & Nails, Heart Health, Osteoporosis.

Help relieve arthritis and joint pain plus get additional health benefits with this new liquid Nutri-Flex!

This exceptional NEW liquid Nutri-Flex is in addition to our original Nutri-Flex line of products. There are 3 ingredient differences: The first is that the glucosamine in the original liquid formula is the sulfate form, but this Nutri-Flex "with Vitamin D" features **Glucosamine Hydrochloride** with higher concentrations of glucosamine promoting greater absorption.

Second is the addition of **Boswellia Extract** 150 mg, also known as frankincense, which is helpful with pain, arthritis, gout, low back pain, myositis and fibromyalgia. Last but not least, this liquid Nutri-Flex includes 1000 IU of **Vitamin D** which is clinically proven to assist with joint health. Studies also suggest that Vitamin D can help to prevent major breast, colon and ovarian diseases.

Nutri-Flex is the official joint care supplement of the Hockey Hall of Fame and perfect for anyone playing sports! Take just one 15 ml tablespoon a day.

Recommended purpose or use:

- A factor in the building of healthy cartilage.
- Helps in the development and maintenance of bones.
- Helps in the absorption and use of calcium and phosphorus.
