

Naka Products

Pro Men Plus: Available in 60 Caps & 150 Caps

Product benefits by category:

- GOLD** Men's Health (Prostate).
- BRONZE** Detoxification, Essential Fatty Acids, Mood, Vitamins & Minerals.

Are prostate problems causing night-time waking? Try Naka's Pro Men Plus, a carefully blended herbal formula designed to maintain healthy bladder, kidney and prostate function in men. Saw Palmetto has been extensively researched and has been found to have specific benefits for the prostate gland. In addition, both Pumpkin Seed Extract and Stinging Nettle have long been used in the promotion of a healthy prostate. When combined with Cranberry Extract, Small Flowered Willow, Gravel Root and Pygeum, these ingredients constitute a superior formula for the promotion of a healthy and active lifestyle.

Directions:

Take 1 capsule three times daily with each meal or as directed by a professional.

Ingredients:

Each gelatin capsule contains 525 mg
 Saw Palmetto extract (45%) 130 mg
 Saw Palmetto powder (12%) 95 mg
 Cranberry extract, Small Flowered Willow, Stinging Nettle, Gravel root, Pygeum extract and Pumpkin Seed extract.
