Why should you use Vital GREENS liquid?

- Vital GREENS liquid is up to 98% absorbable and taking just 1 tablespoon per day is easy. Powders do not dissolve easily and you have to drink 8 oz of a sometimes lumpy, green drink.
- The taste is mild and minty, plus it is sweetened with Stevia...a healthy choice.
- Vital GREENS is an excellent choice for weight loss, arthritis, constipation, any chronic condition, or anyone looking for better health and detoxification.
